

Call To Artists

California based arts non-profit ART from the ashes (AFTA) is partnering with the Shasta County community to initiate a platform of creative programs supporting the community's renewal in the aftermath of the Carr Fire. In the Fall of 2019, ART from the ashes: Seeds of Regrowth Exhibition will take place in Redding, CA. In the spirit of "Support. Inspire. Create. Renew." participating artists will donate their time and talent to transform materials salvaged from fire site locations into one-of-a-kind works of art. Each work of art symbolizes one's ability to renew, rebuild and persevere. Proceeds from the exhibition will support Friends of Whiskeytown's Trails, Bridges and Trees initiatives for Whiskeytown National Recreation Area.

OPEN TO CALIFORNIA ARTISTS OF ALL MEDIUMS*

Requirements:

All works in this exhibition must incorporate or be inspired from fire site material. Participating artists will select materials including wood, metal, glass, found objects and organic materials from AFTA's materials storage location in Redding, CA. Artists with access to these type of materials from other sources may use those as well.

**Participating artists must arrange to select materials from AFTA storage in Redding or have access and/or permission to salvaged fire site materials from the local/regional area.*

INTERESTED ARTISTS:

Please send the following information to AFTAShastaArtist@artfromtheashes.org by May 15, 2019

- *Contact Information including hometown*
- *Artist Website if applicable or specify medium*
- *If you plan on selecting materials from AFTA in Redding or have alternate access to materials*

ART from the ashes mission supports communities affected by wildfire through the cathartic power of art. Arts programming is made possible by contributing artists, volunteers, sponsors, grants and donations.
